LIFESKILLS GRADUATES’ TESTIMONIALS:

“As we prepare to leave, I realize how much my peers and I have grown over the past 5 days, and I can’t wait to share everything I have learned with my school and community. I believe that every member of this conference has the ability and opportunity to make a difference, one person at a time.”

Joe D. - LifeSkills Participant

“Through the various activities, games, and challenges this week, I have begun to learn how individuals relate to one another both socially and emotionally; and how those connections have the ability to create meaningful relationships.

Owen M. - LifeSkills Participant

Learn to lead a successful life through adventure-based team experiences at LifeSkills Conference 2020

In its 21st highly successful year, the Pennsylvania Masonic Youth Foundation’s LifeSkills Conference is a week of fun, new friends, and challenging new experiences. LifeSkills is not just your average summer camp; it’s a leadership conference. Through a variety of fun, adventure-based problem solving and team-building experiences brought to you by Thom Stecher and Associates (designers of the nationally recognized Masonic Model Student Assistance Program) you’ll discover the power of respect, responsibility, and relationships in building a successful life. You’ll choose your level of challenge, with opportunities to push yourself more and more each day, leading to the ultimate physical and mental challenge of a high ropes course at week’s end.

**Who:** Youth ages 12-16 who are members of a Masonic Youth Group, relative of a PA Freemason, or sponsored by a PA Freemason or a Lodge. Not sure how to qualify? Contact us. For youth 17-21, check out the LifeChangers Conference on the back of this flyer.

**Cost:** Through the generous support of the Masons of Pennsylvania, the entire week will cost you only $400 if you’re attending for the first time, or $550 if you’re returning for a second conference.

**Where:** The Masonic Conference Center-Patton Campus, ELizabethtown, PA, boasts a 25-meter indoor pool, gymnasium, outdoor tennis, basketball and volleyball courts, a softball field, a media center with a large screen and surround sound, and air-conditioned comfort with private bathrooms for every room.

**Learn to lead a successful life by enjoying a great variety of activities including dance, visual arts, music, creative writing, and self-expression that will help you build respect, responsibility, and relationships.**

**Through active, adventure-based learning activities, you’ll start off your week developing all-important skills like trust, self-confidence, and teamwork.**

**So by week’s end, you’ll be ready to put your newly learned lessons to the test and challenge yourself at a high-adventure, high ropes course.**
